

To: All CSC coaches

From: Mark Ostergren, President, CSC

Date: August 8, 2011

Subject: Practice Fields

All coaches are reminded of the Club's policy and Plain Township Parks and Recreation's requirements regarding use of Diamond Community Park for soccer practices during the week:

1. Practice fields and times are as signed-up for during the pre-season coaches meeting unless changed through the Coaches Coordinator.
2. The practice schedule is posted on the sign board outside the Diamond Community Center.
3. No team, CSC or otherwise, may claim a field for practice that you are already entitled to according to the posted practice schedule.
4. However, any team that is playing or arrives for a game on your practice field is entitled to use that field and the CSC team that is practicing shall vacate the field immediately and either use another unoccupied area of the park or cancel practice.

This procedure was explained thoroughly at the coaches meeting and is posted on the Club website under FAQs, Practice, Item 4.

If there are any questions regarding this policy, please contact the writer.
